Dear Mr. Kern,

In regards to the letter received by our campaign on June 8, 2000 I am hereby submitting an amendment report to our April Quarterly report. Along with the amendment I hope to receive "best efforts" for the missing employer/occupation information missing from the amendment. Also, we have spelled out all names of PAC's on our report and in the future will not submit a report with abbreviations.

After sending two letters to each individual missing employer/occupation information, as well as a phone call to those in which a phone number was obtained, our campaign has tried every possible means to contact these individuals. Unfortunately, we have been unsuccessful in receiving a response.

Enclosed you will find the amendment report, copies of the letters sent to individuals requested employer/occupation information, as well as a list of the individuals which received this letter.

Thank you for your cooperation, and if you have any problems or questions regarding the amendment or the letters enclosed please feel free to call me at 256-539-0902.

Sincerely,

Henri McDaniel
